ACBL History:

Playing

Sapphire Life Master, possessing over 1500 Gold Masterpoints and 69 Blue Ribbon Qualifications. Participated in many North American Bridge Championships (NABCs) and countless Regional tournaments throughout the United States.

Migration(s)

Originally joined ACBL approximately 1965 while at University of Maine; played in Maine and Massachusetts until moving to Pennsylvania in 1972. Inactive from approximately 1981 through 2002. Rejoined ACBL in 2002 in District 4, Unit 141 (Pennsylvania). Played in South Carolina 2007-2008 while working there. Relocated to Naples FL in September of 2022. Moved to West Palm Beach, Florida late in 2023.

Club Ownership

Founder and former owner of the Valley Forge Bridge Club (now the King of Prussia Bridge Club), King of Prussia PA.

Directing and Teaching

Certified club director and ACBL Assistant Tournament Director. Has directed bridge games and taught bridge on a regular basis since late 1970s. Has directed and taught various courses on a regular basis at the many clubs in Pennsylvania, South Carolina, and Florida. Has conducted a Club Director course for prospective directors in both D4 and D9. Conducts individual classes and group seminars upon request. Author of numerous whitepapers for I/N players, and of the book "Coloring Outside the Lines: Bidding tools for bridge players who reject conformity". Frequent

guest speaker at D4 regional tournaments and also at the 2018 Spring NABC.

Management and Miscellaneous

Established the Valley Forge Bridge Club, located in King of Prussia PA (2016-2021). Previously managed other clubs in Pennsylvania. Previously served as the Club Manager for the Naples (FL) Bridge Center in District 9, Unit 128.

Member of the North Penn Bridge Club Board of Governors (2007, 2009-2011, 2014-2015; Board President 2010-2011); former member of Unit 141 (Greater Philadelphia) Board of Governors and District 4 Board of Directors. Contributed briefly to the Board of Unit 160 (South Carolina) while working in SC (2007-2008).

Founder of Bridge Club Management LLC, whose charter was to provide directing, educational, and management services to new and existing bridge clubs.
